Foxdale Gift Trees

No.	Status	ID Code	Common Name	Latin Name	Honoree	Donor	Planted	Notes
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)

Notes to Columns:

(1) There is one row for each Gift Tree. We no longer distinguish Gift versus Memorial Trees.

(2) Status:

Original tree - Still alive in same location

Replacement - Same or different type in same location, or maybe moved from a different original location

***G**one - Not replaced here nor moved to a different location (from what Betsy & Chuck could determine in 2026)*

(3) ID Code per detailed section map:

AA, BB, etc. are within neighborhoods of that letter.

AB, BC, etc. are between neighborhoods.

Other letter codes: **M**arylyn, **N**ursing, **O**ffices, **P**arking deck, **Q**uaker school, **U**niversity Drive, **V**illage green

Letters for possible future maps: **R**esidency planning, **S**kip Smith bird garden, **T**ussey View park

001, 002, etc. are cottage or apartment numbers, or parking spaces in some cases.

a, b, c, etc. designate individual trees.

(4) Common Name listed might be one of several possibilities. (For consistency, some differ from those on original certificates.)

(5) Latin Name often does not include specific cultivar.

(6) Full names and relationships on certificate are shortened in some cases to save space.

(7) There might be more details on the original certificate.

(8) Many planting dates are approximate. (If anyone has more accurate dates, please tell Betsy & Chuck Berry.)

(9) There may be more information in the DETAIL version of this spreadsheet.

(10) Specific questions, but please tell Betsy & Chuck Berry about other things you notice.
